

THIS IS **FANSHAW'S** VIEWBOOK

2026 - 2027

WHY FANSHAWE

- ▶ 200+ career focused programs
- ▶ 600+ academic pathways with 55+ institutions in nine countries
- ▶ Flexible pathways to support your unique career goals
- ▶ \$5M+ in scholarships, awards and bursaries
- ▶ Hands-on learning built into each program
- ▶ 89.7% of our graduates secure employment within six months of graduation
- ▶ A diverse, supportive and fun place for you to thrive
- ▶ Guaranteed residence for first-year students*
- ▶ Innovative and entrepreneurial partnerships that propel our communities forward

Inside this viewbook, you'll find key information about programs, admissions and student life.

**Guaranteed residence in London is available to first-year, full-time students attending any Fanshawe campus who apply before the deadline, have confirmed their offer of admission and have paid the non-refundable Residence deposit as well as the first Residence payment by the deadline.*

WHAT WE OFFER

Fanshawe is here to help you achieve your career goals with over 200 programs to choose from!

DISCOVER YOUR CAREER FIT

Use our Pathfinder tool to discover your career strengths and interests and find out which programs are the right fit for you. fanshawepathfinder.ca

UPGRADE YOUR EDUCATION

Don't have a high school diploma? Missing courses for admission? Upgrade your education with grade 12 equivalency options for college, apprenticeship or employment. fanshawec.ca/upgrading

PATHWAYS TO ADVANCED DIPLOMAS AND DEGREE

There are plenty of pathways to a career! Grads may qualify for entry to an advanced year of a diploma or degree program at Fanshawe or other institutions. fanshawec.ca/pathway-education

PREP PROGRAMS

Explore your career interests and learn foundational knowledge and skills in a preparatory program, graduating with an Ontario College Certificate.

8 months full-time | 2 years part-time

DIPLOMAS & ADVANCED DIPLOMAS

Gain the applied skills and knowledge to hit the ground running in your career, working in a technical or managerial role. Many programs also offer a co-op work experience so you can put your knowledge into practice.

2-3 years full-time | 3-4 years part-time

DEGREES

Combine theoretical knowledge with experiential learning to work in higher-level management roles with our specialized honours degree programs.

4 years full-time

fanshawec.ca/programs

GRAD STUDIES

Choose a graduate certificate to build on existing post-secondary education or previous work experience, or develop new, highly career-focused skills.

8 months full-time | 2 years part-time

APPRENTICESHIPS

Prepare for a career in a skilled trade or occupation through employment-based training in an apprenticeship.

Up to 5 years full-time

FIND YOUR FIT!

Use our **Pathfinder assessment** to discover your career strengths and which Fanshawe programs might interest you.

fanshawepathfinder.ca

AVIATION

Become a leader in the aerospace industry with a full spectrum of training in manufacturing, maintenance, fleet service, commercial flight and more, all housed in an industry-leading hangar facility.

WHY FANSHAWE?

- ▶ Gain hands-on experience in our \$13-million hangar located at the London International Airport, which mirrors a real-world facility
- ▶ Train for an exciting career in Flight Services, developing the knowledge and skills to provide exceptional passenger service, while engaging in simulations to practice aircraft entry, exit and emergency procedures
- ▶ Practice your maintenance skills on our modern fleet of aircraft including various fixed-wing aircraft and helicopters
- ▶ Graduate ready to land a career at Air Canada, Diamond Aircraft, Jazz Airlines, WestJet and other leading employers, like many other Fanshawe alumni
- ▶ Commercial Flight students train using DA-40NG flight simulators, manufactured by RealSim, as part of their scheduled classes

PROGRAMS

CERTIFICATE

- Aircraft Structural Repair Technician
- Flight Services
- Pre-Technology

DIPLOMA

- Aviation Technician – Aircraft Maintenance (Co-op)
- Aviation Technician – Avionics Maintenance (Co-op)

ADVANCED DIPLOMA

- Aviation Technology – Aircraft Maintenance and Avionics (Co-op)
- Commercial Flight and Aviation Leadership

GRADUATE CERTIFICATE

- Aerospace Operations Management

COMMERCIAL FLIGHT AND AVIATION LEADERSHIP

The Norton Wolf School of Aviation and Aerospace Technology has established one of the premier flight school destinations in Canada with the Commercial Flight and Aviation Leadership program. In this three-year program, students can complete their Fixed-Wing Canadian Private and Commercial Pilot license, as well as 750 hours of ground school training. Diamond Flight Centre London is partnered with Fanshawe to be the flight training provider of this program.

BUSINESS

We're in the business of creating leaders. We teach students how to understand their customers, think bigger and bolder, challenge the status quo and, above all, deliver more than expected.

WHY FANSHAWE?

- ▶ Learn from programs that are specifically designed to ensure you graduate ready to earn important industry designations and certifications for your chosen field
- ▶ Expand your skill set by participating in competitions, challenges and events offered by many of our business programs
- ▶ Explore diverse educational pathways effortlessly, with ability to transfer between credentials within Fanshawe and the Lawrence Kinlin School of Business, or through our extensive network of partner institutions across Canada and beyond
- ▶ Gain live client experience with opportunities to engage with real clients, like Village Creative, the on-campus agency for business students to apply their skills to solve real business problems

COMMUNITY STUDIES & EDUCATION

Improving the quality of people's lives is the centre of everything we do. Experience the impact you can have in the development of an individual, a family or a community.

WHY FANSHAWE?

- ▶ Gain confidence through experiential learning opportunities, like our Developmental Services Worker students who acquire nearly 700 hours of field experience with community agencies and school partners
- ▶ Foster a strong connection to the community, like the Addictions and Mental Health program that welcomes accredited community agencies to view capstone project presentations
- ▶ Learn from experienced professors who willingly share their field and academic expertise to prepare students for challenging and rewarding careers
- ▶ Develop your skills under the mentorship of a professional community partner and the guidance of experienced faculty, like Recreation & Leisure students who realize the vision of a community-based organization in the design and execution of a large special event
- ▶ The Human Services Foundation program provides exposure to Community Studies programs for passionate students who want to support people, yet may be unsure of which career is the right fit

APPRENTICESHIP

- Child Development Practitioner
- Developmental Services Worker

CONSTRUCTION & TRADES

Learn to take an innovative approach to engineering, construction and trades, while developing your understanding of the importance of sustainable growth. In this high-demand career field, it's our job to help you establish a foundation of skills and build you up for career success.

WHY FANSHAWE?

- ▶ Benefit from networking, co-operative education and career opportunities through strong connections to industry partners such as the London Home Builders' Association
- ▶ Develop hands-on skills with state-of-the-art carpentry, plumbing, fire safety and electrical labs
- ▶ Participate in special event builds with Habitat for Humanity, Airshow London and more
- ▶ Gain enhanced learning from cutting-edge technology infused into our programs, such as virtual reality, drone technology, laser scanning, 360 cameras, theodolites, total stations and more
- ▶ Take part in educational projects to conduct practical research, like using the solar arrays installed on Fanshawe buildings in London, which provide some of the heat for the campus' hot water supply and allow students to evaluate alternatives to traditional gas-based water heating methods

THIS IS PROGRESS

WOMEN IN CARPENTRY INITIATIVE

Fanshawe is committed to empowering students. Our Women in Carpentry initiative offers:

- ▶ A friendly, supportive environment for success in Fanshawe's residential construction and renovation programs
- ▶ Mentoring program matching students with women in the industry to foster connections and confidence

HEALTH SCIENCES

Intensive learning and training molds our students into skilled health care professionals. They gain practical skills in purpose-built labs and benefit from community and clinical collaborations which take place in one of the top healthcare hubs in North America.

WHY FANSHAWE?

- ▶ Experience innovative pharmacy simulations within the newly-renovated practice labs in both the Community Pharmacy Assistant and Pharmacy Technician programs
- ▶ Occupational Therapist Assistant and Physiotherapist Assistant students develop strong practical skills by participating in three clinical placements in a variety of settings including hospitals, retirement homes and more
- ▶ Pre-Health Science graduates have an extremely high success rate in their subsequent demanding diploma and degree programs
- ▶ Study Fitness and Health Promotion to gain practical skills, build your client portfolio and jump-start your career in a program connected to industry and university partners
- ▶ Immerse yourself in the future of health care with our new XR lab, offering state-of-the-art resources in extended reality (XR) and virtual reality (VR)
- ▶ Study at a college whose programs have made their mark globally, such as our highly-competitive Respiratory Therapy and Dental Hygiene programs. Students and faculty from these programs embark on Global Citizenship learning projects in Guatemala and Grenada, making a significant impact worldwide
- ▶ Earn clinical experience, like Dental Hygiene and Dental Assisting students who help the London community with affordable oral health care at our on-campus Oral Health Clinic

INFORMATION TECHNOLOGY

In today's technology-driven world, the demand for skilled IT professionals has never been higher. Our programs will prepare and challenge you to thrive in this exciting and constantly-evolving field.

WHY FANSHAWE?

- ▶ Choose an institution with a proven track record of success in IT areas of excellence, which include enterprise computing, development, analytics, security and systems
- ▶ Immerse yourself in a state-of-the-art learning environment with a school that hosts one of the largest data centres in the Ontario college system, housing 100+ clustered servers, including an ultra high-performance computing cluster for enhanced learning in areas of AI, Machine Learning, Deep Learning, RPA, IOT and Analytics
- ▶ Hone your skills with hands-on experience in our CyberRange, engaging in cybersecurity research, developing domain-specific business model simulations and mastering the identification and mitigation of risk exposures
- ▶ Take your education to the next level with a global network of partner institutions offering our students seamless pathways to bachelor's and master's degrees
- ▶ Gain valuable employment experience through our network of industry partners, including all major video game developers and distributors, 15 of which are located in London's digital corridor

LAW & PUBLIC SAFETY

Fanshawe understands the skill, knowledge and commitment it takes to serve in public safety. That's why we offer students the tools and applied learning experiences needed to succeed in a wide range of demanding and exciting careers.

WHY FANSHAWE?

- ▶ Study in state-of-the-art facilities using equipment such as working ambulances, patrol vehicles, simulated emergency rooms and more
- ▶ Gain hands-on experience in high-tech labs, like 911 and Public Safety Communications students who practice 911 simulation and dispatch using the latest industry software, Intergraph® Computer-Aided Dispatch
- ▶ Explore diverse court service roles in our Court Support Services program. Gain hands-on experience in the Ontario court system and secure great job prospects after graduation
- ▶ In Protection, Security and Investigation, students learn to protect Canadians while maintaining safety and order. With significant federal investment to strengthen national security and corrections, our grads are equipped to secure many exciting careers
- ▶ Participate in authentic case-based learning experiences such as our Paralegal students who conduct mock trial scenarios or Law Clerk students who integrate academic studies with practical paid work experience

NURSING

Nursing professionals work with clients across their lifespan to optimize the health of individuals, families and communities. Our programs develop well-rounded, skilled practitioners who work the front lines of health care and truly make a difference.

WHY FANSHAWE?

- ▶ Benefit by learning from experienced professionals in one of the top health care hubs in North America
- ▶ Learn in labs that resemble a real practice or community environment, complete with life-like client simulators, furniture, equipment and supplies that would be featured in the actual setting
- ▶ Small classes allow for greater faculty-to-student interaction, fostering effective and positive learning experiences
- ▶ Dedicated and passionate professors with years of expertise prepare students for demanding careers in dynamic health-care environments
- ▶ Choose from innovative programming, including our Doula Studies program, which is the first of its kind in Ontario and prepares students for a career providing families with information and support from conception to end-of-life

PROGRAMS

- Collaborative Nursing (Fanshawe/Western)

SCIENCE & ENGINEERING

From the robotics lab to the science laboratory, our programs will teach you to solve real-world problems using forward-thinking techniques and technologies.

WHY FANSHAWE?

- ▶ Gain work experience, make connections with employers and apply your knowledge through paid co-op opportunities
- ▶ Our program delivery models emphasize learning of technical and essential skills required for productivity and success in the workplace, refined through project work
- ▶ Apply your skills and learning with capstone projects, like students in the Electromechanical Engineering program, who have the opportunity to design, construct, implement and manage real-world solutions using skills in robotics, automation and project management
- ▶ Participate in collaborative research and learning projects with industry partners in spaces like the Centre for Applied Research and Innovation in Biotechnology (CARIB). Its biology, chemistry, instrumentation and physics teaching labs, along with biosafety level two culture facilities, help our students build a skill set that will be in demand

TRANSFERRING TO FANSHAWE?

If you started your education at another college or university, you may be eligible to continue or further your education at Fanshawe. There are a couple of ways to do this:

- ▶ Advanced standing – pathways to Fanshawe from another institution allow you to start in a higher semester or year of study
- ▶ External credit – if you're not eligible for a pathway, you can still apply to transfer credits on a course-by-course basis

fanshawec.ca/transfer

For full- or part-time certificate, diploma, honours bachelor degree and graduate certificate programs

ontariocolleges.ca

For full-time collaborative degree programs

ouac.on.ca

For full- or part-time apprenticeship programs
