

THISIS FANSHAWE'S WIEWBOOK 2026 - 2027

- ▶ 200+ career focused programs
- ▶ 600+ academic pathways with 55+ institutions in nine countries
- Flexible pathways to support your unique career goals
- \$5M+ in scholarships, awards and bursaries
- Hands-on learning built into each program
- ▶ 89.7% of our graduates secure employment within six months of graduation
- A diverse, supportive and fun place for you to thrive
- Guaranteed residence for first-year students*
- Innovative and entrepreneurial partnerships that propel our communities forward

Inside this viewbook, you'll find key information about programs, admissions and student life.

*Guaranteed residence in London is available to first-year, full-time students attending any Fanshawe campus who apply before the deadline, have confirmed their offer of admission and have paid the non-refundable Residence deposit as well as the first Residence payment by the deadline.

WHAT WE

WHAT WE **OFFER**

Fanshawe is here to help you achieve your career goals with over 200 programs to choose from!

DISCOVER YOUR CAREER FIT

Use our Pathfinder tool to discover your career strengths and interests and find out which programs are the right fit for you. fanshawepathfinder.ca

UPGRADE YOUR EDUCATION

Don't have a high school diploma? Missing courses for admission? Upgrade your education with grade 12 equivalency options for college, apprenticeship or employment. fanshawec.ca/upgrading

PATHWAYS TO ADVANCED DIPLOMAS AND DEGREE

There are plenty of pathways to a career! Grads may qualify for entry to an advanced year of a diploma or degree program at Fanshawe or other institutions. fanshawec.ca/pathway-education

PREP PROGRAMS

Explore your career interests and learn foundational knowledge and skills in a preparatory program, graduating with an Ontario College Certificate.

8 months full-time | 2 years part-time

DIPLOMAS & ADVANCED DIPLOMAS

Gain the applied skills and knowledge to hit the ground running in your career, working in a technical or managerial role. Many programs also offer a co-op work experience so you can put your knowledge into practice.

2-3 years full-time | 3-4 years part-time

DEGREES

Combine theoretical knowledge with experiential learning to work in higher-level management roles with our specialized honours degree programs.

4 years full-time

fanshawec.ca/programs

AVIATION

Become a leader in the aerospace industry with a full spectrum of training in manufacturing, maintenance, fleet service, commercial flight and more, all housed in an industry-leading hangar facility.

WHY FANSHAWE?

- Gain hands-on experience in our \$13-million hangar located at the London International Airport, which mirrors a real-world facility
- Train for an exciting career in Flight Services, developing the knowledge and skills to provide exceptional passenger service, while engaging in simulations to practice aircraft entry, exit and emergency procedures
- Practice your maintenance skills on our modern fleet of aircraft including various fixed-wing aircraft and helicopters
- Graduate ready to land a career at Air Canada, Diamond Aircraft, Jazz Airlines, WestJet and other leading employers, like many other Fanshawe alumni
- Commercial Flight students train using DA-40NG flight simulators, manufactured by RealSim, as part of their scheduled classes

PROGRAMS

CERTIFICATE

- Aircraft Structural Repair Technician
- Flight Services
- Pre-Technology

DIPLOMA

- Aviation Technician Aircraft Maintenance (Co-op)
- Aviation Technician Avionics Maintenance (Co-op)

ADVANCED DIPLOMA

- Aviation Technology Aircraft Maintenance and Avionics (Co-op)
- Commercial Flight and Aviation Leadership

GRADUATE CERTIFICATE

• Aerospace Operations Management

COMMERCIAL FLIGHT AND AVIATION LEADERSHIP

The Norton Wolf School of Aviation and Aerospace Technology has established one of the premier flight school destinations in Canada with the Commercial Flight and Aviation Leadership program. In this three-year program, students can complete their Fixed-Wing Canadian Private and Commercial Pilot license, as well as 750 hours of ground school training. Diamond Flight Centre London is partnered with Fanshawe to be the flight training provider of this program.

BUSINESS

We're in the business of creating leaders. We teach students how to understand their customers, think bigger and bolder, challenge the status quo and, above all, deliver more than expected.

WHY FANSHAWE?

- Learn from programs that are specifically designed to ensure you graduate ready to earn important industry designations and certifications for your chosen field
- Expand your skill set by participating in competitions, challenges and events offered by many of our business programs

- Explore diverse educational pathways effortlessly, with ability to transfer between credentials within Fanshawe and the Lawrence Kinlin School of Business, or through our extensive network of partner institutions across Canada and beyond
- Gain live client experience with opportunities to engage with real clients, like Village Creative, the on-campus agency for business students to apply their skills to solve real business problems

8 S STUDIE COMMUNITY

COMMUNITY STUDIES & **EDUCATION**

Improving the quality of people's lives is the centre of everything we do. Experience the impact you can have in the development of an individual, a family or a community.

WHY FANSHAWE?

- Gain confidence through experiential learning opportunities, like our Developmental Services Worker students who acquire nearly 700 hours of field experience with community agencies and school partners
- Foster a strong connection to the community, like the Addictions and Mental Health program that welcomes accredited community agencies to view capstone project presentations
- Learn from experienced professors who willingly share their field and academic expertise to prepare students for challenging and rewarding careers
- Develop your skills under the mentorship of a professional community partner and the guidance of experienced faculty, like Recreation & Leisure students who realize the vision of a community-based organization in the design and execution of a large special event
- ▶ The Human Services Foundation program provides exposure to Community Studies programs for passionate students who want to support people, yet may be unsure of which career is the right fit

FRANKIE'S FANSHAWE PATHWAY:

- Honours Bachelor of Early Childhood Leadership

GRADUATE CERTIFICATE

- Addictions and Mental Health
- Autism and Behavioural Science
- Career Development Practitioner

APPRENTICESHIP

- Child Development Practitioner
- Developmental Services Worker

CONSTRUCTION & TRADES

Learn to take an innovative approach to engineering, construction and trades, while developing your understanding of the importance of sustainable growth. In this high-demand career field, it's our job to help you establish a foundation of skills and build you up for career success.

WHY FANSHAWE?

- ▶ Benefit from networking, co-operative education and career opportunities through strong connections to industry partners such as the London Home Builders' Association
- Develop hands-on skills with state-of-the-art carpentry, plumbing, fire safety and electrical labs
- Participate in special event builds with Habitat for Humanity, Airshow London and more
- Gain enhanced learning from cutting-edge technology infused into our programs, such as virtual reality, drone technology, laser scanning, 360 cameras, theodolites, total stations and more
- > Take part in educational projects to conduct practical research, like using the solar arrays installed on Fanshawe buildings in London, which provide some of the heat for the campus' hot water supply and allow students to evaluate alternatives to traditional gas-based water heating methods

WOMEN IN CARPENTRY INITIATIVE

Fanshawe is committed to empowering students. Our Women in Carpentry initiative offers:

- A friendly, supportive environment for success in Fanshawe's residential construction and renovation programs
- Mentoring program matching students with women in the industry to foster connections and confidence

PROGRAMS

CERTIFICATE

HIRED: Manager, Creative Services, Fanshawe College

HEALTH **SCIENCES**

Intensive learning and training molds our students into skilled health care professionals. They gain practical skills in purpose-built labs and benefit from community and clinical collaborations which take place in one of the top healthcare hubs in North America.

WHY FANSHAWE?

- Experience innovative pharmacy simulations within the newly-renovated practice labs in both the Community Pharmacy Assistant and Pharmacy Technician programs
- Occupational Therapist Assistant and Physiotherapist Assistant students develop strong practical skills by participating in three clinical placements in a variety of settings including hospitals, retirement homes and more
- Pre-Health Science graduates have an extremely high success rate in their subsequent demanding diploma and degree programs
- Study Fitness and Health Promotion to gain practical skills, build your client portfolio and jump-start your career in a program connected to industry and university partners

- Immerse yourself in the future of health care with our new XR lab. offering state-of-the-art resources in extended reality (XR) and virtual reality (VR)
- Study at a college whose programs have made their mark globally, such as our highlycompetitive Respiratory Therapy and Dental Hygiene programs. Students and faculty from these programs embark on Global Citizenship learning projects in Guatemala and Grenada, making a significant impact worldwide
- Earn clinical experience, like Dental Hygiene and Dental Assisting students who help the London community with affordable oral health care at our on-campus Oral Health Clinic

CERTIFICATE

- Community Pharmacy Assistant
- Dental Assisting (Levels I and II)
- Pre-Health Sciences Pathway to Advanced Diplomas and Degrees
- Veterinary Assistant NEW

DIPLOMA

- Fitness and Health Promotion
- Occupational Therapist Assistant and Physiotherapist Assistant
- Pharmacy Technician
- Veterinary Technician NEW

ADVANCED DIPLOMA

- Dental Hygiene
- Massage Therapy (Accelerated)
- **Medical Radiation Technology**
- Respiratory Therapy

GRADUATE CERTIFICATE

- Anesthesia Assistant
- Magnetic Resonance Imaging

AIDAN'S FANSHAWE PATHWAY:

Pre-Health Sciences Pathway to Advanced Diplomas and Degrees Certificate

Respiratory Therapy Advanced Diploma

INFORMATION TECHNOLOGY

In today's technology-driven world, the demand for skilled IT professionals has never been higher. Our programs will prepare and challenge you to thrive in this exciting and constantly-evolving field.

WHY FANSHAWE?

- Choose an institution with a proven track record of success in IT areas of excellence, which include enterprise computing, development, analytics, security and systems
- Immerse yourself in a state-of-the-art learning environment with a school that hosts one of the largest data centres in the Ontario college system, housing 100+ clustered servers, including an ultra high-performance computing cluster for enhanced learning in areas of Al, Machine Learning, Deep Learning, RPA, IOT and Analytics
- Hone your skills with hands-on experience in our CyberRange, engaging in cybersecurity research, developing domain-specific business model simulations and mastering the identification and mitigation of risk exposures
- Take your education to the next level with a global network of partner institutions offering our students seamless pathways to bachelor's and master's degrees
- Gain valuable employment experience through our network of industry partners, including all major video game developers and distributors,
 15 of which are located in London's digital corridor

PROGRAMS

DIPLOMA

- Computer Systems Technician
- Web Development and Internet Applications

ADVANCED DIPLOMA

- Computer Programming and Analysis (Co-op)
- Computer Systems Technology (Co-op)
- Cyber Security (Co-op)

GRADUATE CERTIFICATE

- Artificial Intelligence and Machine Learning (Co-op)
- Game Development Advanced Programming
- Health Systems Management
- Low-Code and No-Code (Co-op) NEW
- Information Security Management
- · Information Technology Infrastructure
- Mobile Application Development
- Network and Security Architecture (Co-op)
- Software and Information Systems Testing (Co-op)
- Technical Data Analytics (Co-op) NEW
- Technical Systems Analysis (Co-op)

Computer Programming and Analysis (Co-op) Advanced Diploma

Bachelor of Science - Computer Science Davenport University, USA

LAW & PUBLIC SAFETY

Fanshawe understands the skill, knowledge and commitment it takes to serve in public safety. That's why we offer students the tools and applied learning experiences needed to succeed in a wide range of demanding and exciting careers.

WHY FANSHAWE?

- > Study in state-of-the-art facilities using equipment such as working ambulances, patrol vehicles, simulated emergency rooms and more
- Gain hands-on experience in high-tech labs, like 911 and Public Safety Communications students who practice 911 simulation and dispatch using the latest industry software, Intergraph® Computer-Aided Dispatch
- Explore diverse court service roles in our Court Support Services program. Gain hands-on experience in the Ontario court system and secure great job prospects after graduation
- In Protection, Security and Investigation, students learn to protect Canadians while maintaining safety and order. With significant federal investment to strengthen national security and corrections, our grads are equipped to secure many exciting careers
- Participate in authentic case-based learning experiences such as our Paralegal students who conduct mock trial scenarios or Law Clerk students who integrate academic studies with practical paid work experience

PROGRAMS

CERTIFICATE

- 911 and Public Safety Communications
- **Court Support Services**
- Fire Safety Systems
- Pre-Health Sciences Pathway to Advanced Diplomas and Degrees
- **Public Safety Fundamentals**

DIPLOMA

- Law Clerk (Co-op)
- Paramedic
- **Police Foundations**
- Protection, Security and Investigation

GRADUATE CERTIFICATE

- Advanced Care Paramedic
- **Advanced Ergonomic Studies**
- Occupational Health and Safety Management
- Paralegal

PROGRAMS

CERTIFICATE

- General Arts and Science (One Year)
- General Arts and Science (One-Year English Language Studies)
- Paswe'aatigook Anishinaabemowin Language Foundations (One Year)

DIPLOMA

- General Arts and Science (Two Years)
- Paswe'aatigook Anishinaabemowin Language Immersion (Two Years)

ADVANCED DIPLOMA

 Oneida – Language Immersion, Culture and Teaching (Accelerated)

LIBERAL STUDIES

Liberal studies encompasses a diverse collection of programs. Our preparatory programs provide post-secondary experience to help students continue their studies at the college or university level. Our post-graduate programs provide opportunities for students who already have a diploma or a degree to further their education through increased specialization.

WHY FANSHAWE?

- Take Liberal Studies programs in a variety of ways such as full time or part time, in class or online
- Choose from a large selection of courses (200+) in the General Arts and Science program, such as Psychology of Music, Rebellions and Revolutions, A Culture of Addictions or Astronomy
- Prepare for a variety of language-related careers with our immersive Indigenous language programs

ANGELINA'S FANSHAWE PATHWAY:

General Arts and Science Certificate

Bachelor of Science -Collaborative Nursing Degree

MEDIA & DIGITAL CREATIVE

Become immersed in your media strengths and prepare for the demands of today's media careers. Our programs will make you pour over every pixel and take you from behind the scenes to the centre stage, from set to screen and beyond.

WHY FANSHAWE?

- Develop and apply career skills through industry partnerships and live-client projects in London's digital creative sector
- Access a growing network of graduates and faculty who lead Canada's media industry including Grammy nominee and Juno Award winner Dan Brodbeck, ET Canada's Cheryl Hickey, Harry Potter series' David Latour, Juno Award winner for best rap album Haviah Mighty and Grammy Award winner John Bailey
- Graduate prepared to hit the ground running in the workplace with classroom experiences such as operating Canada's first student-run radio station "The X", our Fanshawe TV station and one of the largest green screen TV and film studios outside of Toronto

HOW TO **APPLY**

For full- or part-time certificate, diploma, honours bachelor degree and graduate certificate programs

ontario colleges.ca

For full-time collaborative degree programs

ouac.on.ca

For full- or part-time apprenticeship programs

fanshawec.ca/apprenticeship

COMPETITIVE PROGRAMS

fanshawec.ca/apply

Some programs are considered highly competitive due to the number of applicants. Find out if your program is highly competitive and be sure to apply before the equal consideration application deadline to be considered for these programs.

fanshawec.ca/competitive-programs

TRANSFERRING TO FANSHAWE?

If you started your education at another college or university, you may be eligible to continue or further your education at Fanshawe. There are a couple of ways to do this:

- Advanced standing pathways to Fanshawe from another institution allow you to start in a higher semester or year of study
- External credit if you're not eligible for a pathway, you can still apply to transfer credits on a course-by-course basis

fanshawec.ca/transfer

Earn Academic Credit for Learning Outside of the Classroom!

Your past learning—whether through work, volunteering or other life experiences—can earn you college credit. Through Prior Learning Assessment and Recognition (PLAR), you may receive credit for up to 50% of a college bachelor's degree or up to 75% of other college programs.

fanshawec.ca/plar
