LONDON LOCATIONS

Fanshawe offers programs at various campuses and sites throughout London, Ontario including our London Campus in the east end of the city, London South Campus in the south end and London Downtown Campus in the city's core.

LONDON CAMPUS

London's extensive flagship campus boasts 100 acres of property and houses the bulk of Fanshawe's programs. Two additional London sites, the Centre for Applied Transportation Technologies and the Fanshawe Aviation Centre (at the London International Airport), are home to their industry-specific programs and specialized state-of-the-art facilities.

Campus Highlights:

- Broadcasting Media studios
- Centre for Applied Research and Innovation in Biotechnology (CARIB) lab
- Diane Blake Centre of Excellence in XR
- Kalihwiyo Circle Indigenous Gathering Space
- Innovation Village
- Library Learning Commons
- mend Student Massage Clinic
- Simulation labs
- Oral Health Clinic
- Student Wellness Centre
- and much more!

LONDON DOWNTOWN CAMPUS

Study in the heart of London, where students are just steps from employers aligned with our programs in arts, digital creative, tourism, hospitality and culinary arts.

Campus Highlights:

- School of Tourism, Hospitality and Culinary Arts programs
- The Chef's Table at Fanshawe College: teaching restaurant, café and market
- School of Media and Digital Arts programs
- Student Service Hub
- The Good Foundation Inc. Theatre

LONDON SOUTH CAMPUS

The campus is located in – you guessed it – south London, close to the 401 highway and houses five graduate certificate programs.

Campus Highlights:

- State-of-the-art classrooms and computer labs
- Library and resource centre
- Cafeteria, as well as multiple lounges and study spaces
- Student union games room
- Free parking
- Public transit at the doorstep
- Great part-time work options nearby
- Close to plenty of dining options, entertainment and shopping, including White Oaks Mall

STUDENT EXPERIENCE

THIS IS BELONGING

Experience a vibrant and welcoming community. The Fanshawe student experience offers opportunities for growth, new connections, lasting memories and a place where you belong.

LEARNING & EMPOWERMENT

Experience academic and personal growth. At Fanshawe, we focus on empowering our students to achieve their goals and aspirations.

- ▶ Academic Advisors provide one-to-one support through the academic journey
- ▶ Passionate professors offer knowledge and guidance
- ▶ Peer tutors help you gain an understanding of course material

RELATIONSHIPS & CONNECTIONS

Opportunities for lasting relationships can be found everywhere - you just have to look for them! Connect with friends, faculty and mentors.

- ▶ Expand your circle of friends through intramural or varsity sports or get involved in Fanshawe Student Union clubs and leadership opportunities
- ▶ Career and Co-op consultants offer one-to-one employment coaching
- ▶ Student Service staff can be found across each campus - they're there to help when you need it

VIBRANT EXPERIENCES

Lasting memories are formed in many ways, from large-scale events and program-specific experiences to the smallest interactions - which sometimes have the largest impact. We embrace them all.

- ▶ Pre-orientation and Orientation programming will prepare you to succeed
- ▶ Participating in industry-focused work and study experiences
- ▶ Little things can be big things: receiving support from a professor, stumbling upon a small event on campus or feeling special when the barista remembers your coffee order!

WELLNESS & WELLBEING

A meaningful college experience includes prioritizing mental wellbeing. Each day may look and feel different, so there are a variety of ways to find support if and when you need it.

- ▶ Stay active and feel good by taking advantage of our amazing three-floor Student Wellness Centre. Whether you're new to fitness or have a set routine - everyone is welcome
- ▶ Feeling down or anxious? Our personal counsellors can help you navigate a variety of challenges
- ▶ Have a documented disability? Our team of Accessibility counsellors help you create an accommodation plan that sets you up for success

HERE FOR YOU

fanshawec.ca/hereforyou

This is a core principle that inspires our relationship with you, our students. This is your life, and your student journey, but the reason we show up every day is to support you. The Here For You brand is intended to help you learn about and access all of the supports available to you.

FINANCIAL SUPPORT

We know there's a lot to consider when it comes to making financial plans for your education. We provide student support, financial aid options and resources to help you along the way. There are a variety of financial supports to help you pay for college at Fanshawe:

Fanshawe's **Morgan Lowry** was named the 2021-22 Female Athlete of the Year after setting a new OCAA record for most strike outs in a single game with 19 and being named the OCAA Pitcher of the Year.

"Being a Fanshawe Falcon has taught me so much about hard work, commitment and discipline, which translates to success both academically and athletically. The Music Industry Arts program has helped me develop industry connections and the necessary skills for me to succeed in my professional field. This combined with the work ethic and teamwork I learned through sport, ensure that I am ready to take on any challenges that I may face in my future. I would describe my time with the Fanshawe Falcons Cross Country team as both memorable and gratifying. Being a Falcon means being part of a family."

Why Fanshawe degrees?

With **12 programs** to choose from, Fanshawe degrees give you the best of both worlds: theoretical knowledge combined with hands-on, experiential learning. That's why our graduates are uniquely skilled and in high demand.

- ▶ Career-focused learning
- ▶ An affordable investment compared to a university degree
- ▶ A perfect mix of industry experts and Ph.D. faculty committed to excellence in teaching and research
- ▶ Small class sizes
- ▶ Co-operative work experience and field practicums
- ▶ Pathways to a master's degree or teachers college*
- ▶ Residence options both on and off campus
- ▶ Extensive student success services

*While graduate schools review applications on an individual basis, many people have used college degrees as the basis for entry into graduate or professional schools.

A **college degree** pays off.

Our degree graduates have the hands-on experience to hit the ground running in the workplace. That's why graduates of college degree programs are paid more on average in the first two years after graduation than university graduates!
